Evangelist Needham is gifted with genuine Irish eloquence, accompanied with the warmth of feeling and carnestness which charac-terizes the orators of that nation. He is certainly a thorough Bible scholar and without any effort at profundity makes his sermons deeply interesting and instructive, interspersing them with apt and touching illustrations from incidents which have come under his professional observation. During the services arranged for Sunday will be a special meeting for men at 3 p.m. Seats are all free in the at 3 p.m. Central Baptist church and its members are glad to honor strangers and visitors with the best sittings in their beautiful audience room.

The Handsomest in the South and Its Men the

DRESSED!

The Pride of the Mississippi Valley.

A New York drummer, who travels over the entire country, was bragging about the advantages of living in Gotham, but he had to admit that in the Misfit Clothing Parlors, 262 Second street. Memphis has the best and cheapest clothing house in the United States. He also had to concede that the Memphis girls are the prettiest in the country and that the men here, as a general rule, are better dressed than those of any American city.

Memphis men can afford to dress well. The Misfit Clothing Parlors gives them the advantage of buying fine merchant tailor's clothing at about one-half its actual value.

The Misfit Clothing Parlors believe in bragging when it has something to brag about. We have been busy during the past two months hunting up bargains for Spring. We now have our Parlors packed with beautiful new goods. Better still, our prices are wonderfully low. Come quick and inspect these handsome goods.

Remember, all alterations to insure a perfect fit done free of charge by a first-class tailor.

BOOTS AND SHOES. MEMPHIS, TESS., March 10, 1886. TO THE TRADE:

We made a contract some months ago with George Hocker, the manufacturer of the celebrated "Hocker Boot," for the exclusive handling of his boots at wholesale in this market, and have advertised in various newspapers to this effect. We notice recently that another wholesale shoe house in Memphis is advertising that they have George Hocker's calf boots for sale, manufactured for the spring trade. In order that we should not be placed in a false attitude before the trade, we wrote to Mr. Hock er on February 27th to know whether or not he had sold his calf boots to any other wholesale house in Mem-

phis, and we herewith publish his reply. Very respectfully,

GOODBAR, LOVE & CO. OFFICE OF GEORGE HOCKER. BOUTS AND SHOES, CINCINNATI, O., March 1, 1886. Messrs. Goodbar, Love & Co., Memphis, Tenn.:

GENTLEMEN-We have just re-selved your letter of February 27th. Goodbar & Co. have not bought a single pair of boots from us for the spring trade. I cannot think that they are getting

them through any other house, as we received no orders that they could send, and are only selling one other jobbing house these goods. I do not think they get them from them Respectfully. GEORGE HOCKER.

TO THE TRADE.

Notwithstanding one of our com-petitors publishes a letter from theo. Hocker stating "he has not sold us any calf boots for spring trade," THE FACT Is, we have these goods now in store, which we offer to the trade at as low prices as they can be found elsewhere. We guarantee them to be the GENULNE Geo. Hocker boots, and adapted to the present season's trade. Respectfully yours. Memphis, March 18. 1886.
